

Nourishing our Neighbors

Across Bexar and surrounding counties, more than 450,000 neighbors face food insecurity every day—a number that continues to rise. Families already working hard to make ends meet are finding it harder to keep food on the table.

In moments like these, philanthropy shines brightest. Gifts to the San Antonio Area Foundation's **Livable and Resilient Communities Impact Fund** strengthen nonprofits that provide groceries and hot meals while helping with rent, utilities, and essential services, meeting those in need with care, dignity, and compassion.

Or, consider a grant from your donor advised fund to one of these high-impact nonprofit partners providing food security and essential services for area families:

Family Service at Presa Community Center

Family Service strengthens families through nutritious meals, education, and essential resources in San Antonio's urban core.

Holy Redeemer Catholic Church

A cornerstone on the East Side, Holy Redeemer provides food, fellowship, and support that nourishes both body and spirit for neighbors in need.

Meals on Wheels San Antonio

Delivering nutritious meals to older adults in Atascosa, Bandera, Bexar, Comal, Guadalupe, Kendall, Medina, and Wilson counties.

SA Hope Center

Through food assistance, job training, and holistic case management, SA Hope Center helps families move from crisis to confidence and achieve lasting self-sufficiency.

Society of St. Vincent de Paul

Operating dozens of food pantries across Bexar County, St. Vincent de Paul offers nourishment, emergency aid, and hope to families.

St. Stephen's CARE Center

The only client-choice food pantry on San Antonio's West Side, empowering families to choose healthy foods and access wraparound services.

When hunger rises, so do we.

Your gift or grant today will reduce the number of families who go without food, shelter, or care.
